LESSON STRUCTURE

1. Baths: Avoid slipping by always sitting down in the bath. Don't forget to empty the bath after, and to always be supervised by an adult.
2. Paddling Pools: Avoid being rough with others. Always have an adult nearby.
3. Outside: Stay away from barrels, drains. Rivers and ponds can be very dangerous. You may not be able to get out.
4. Farms: Stay away from troughs, you could fall in. Avoid slurry pits and watch out for holes. Even the smell of slurry pits is dangerous.
5. Ice: Never ever walk on ice.
6. Rivers: Never get in after balls, they are a lot less valuable than you. Stay away from edges (S.A.F.E). Rivers flow very fast.
7. Swimming Pools: List and explain the list of rules on page 9.
8. Beach Safety: List and explain the list of rules on page 10.
9. Beach Safety: Know what the flags mean.
10. Beach Safety: Explain the power of waves, and what to do if you get into trouble. Also what to do if you see someone in trouble.
11. River Safety: List and explain the list of rules on page 13. Difference between river and canals.

ACTIVITIES

All activities are based on the content available in the lesson book. The activities are designed specifically for first and second class pupils.

1. Pick the correct word for the sentence.
2. Complete the sentence.
3. Select the correct answer.
4. Click the correct picture
5. Does it float?
6. Finish the word?
