

Irish Water Safety

The Long Walk
Galway
(091) 564400

WATER SAFETY: POOL LIFEGUARD (D30112)

A special requirement of this module is that the provider must secure the approval of Irish Water Safety. To apply for approval complete the form below and send it to Irish Water Safety at the above address. Once approved Irish Water Safety will return a signed copy to you. The signed copy should be held in the centre as evidence of approval and should be available for the FETAC External examiner. This process must take place in conjunction with the normal FETAC application procedure.

This form is evidence the Irish Water Safety has approved this centre to run the module Water Safety: Pool Lifeguard (D30112)

I agree to the management of my personal data in accordance with the General Data Protection Regulations (GDPR) 2018.
