

WSI Accessibility Statement

WSI takes measures to make our website, www.watersafety.ie more accessible by making it perceivable, operable, understandable and robust under the directive 2016/2102 (EU), as articulated in SI No. 358/2020 - European Union (Accessibility of Websites and Mobile Applications of Public Sector Bodies) Regulations 2020.

Should you wish to contact us regarding accessibility please go to our Contact Us page. We will do our utmost to ensure that any content you are requesting is made available and accessible.

Although we are working to address accessibility compliance update requirements on an ongoing basis and endeavour to apply all accessibility standards being published to our website, there will be times due to the dynamic nature of content being published to our website and time constraints, for example breaking news, that it will not always be feasible or practical to ensure full compliance at any given time.

We welcome your feedback on the accessibility of Water Safety Ireland's website. Please let us know if you encounter accessibility barriers:
