**WATER  
SAFETY  
IN THE POOL**

# REMEMBER THESE RULES.

Be careful not to dive into shallow water.

Check to see how deep the pool is  
before getting in.

Watch out for younger children  
at all times.

Obey all pool rules such as no running  
dives and no horseplay.

An adult should always supervise  
playtime.

Watch out in case there is no  
proper barrier between the kiddies  
pool and the main pool.

When you first arrive, find out if  
there is a Lifeguard on duty.

Watch out for sudden drops  
in the pool floor.

Leave time after your meal before  
you go swimming.

# ENJOY YOURSELF. COME HOME SAFELY.
