

Annual Report of Protected Disclosures 2022

Under the Protected Disclosures Act, the Chief Executive Officer of Water Safety Ireland (WSI) is prescribed as a recipient of protected disclosures in relation to all matters associated WSI. Internal disclosures relating to WSI can also be made by relevant staff as defined by the Act.

Under Section 22 of the Protected Disclosures Act 2014, each public body is required to publish an annual report setting out the number of protected disclosures received in the preceding year and the action taken. The publication of the data in the report must be provided in a way that protects the identity of the disclosers.

From 01 January to 31 December 2022, the Chief Executive of WSI, in the context of their role as a prescribed person under the Protected Disclosures Act 2014, received no protected disclosures from parties external to WSI and relating to third parties. No disclosures were received internally.
